

BATTLE FOR STALINGRAD REACHES ITS PEAK; GERMAN ARMY CLAIM PENETRATIONS

HORDES OF FRESH GERMAN TROOPS IN ALL-OUT ONSLAUGHT

INVADERS SEEK TAKE LINGRAD AT WHATEVER COST IN BLOOD

By EDDY GILMORE.
MOSCOW, Sept. 14.—(AP)—Fresh hordes of Nazi troops smashed today at the approaches to Stalingrad in an obvious all-out effort to storm the city whatever the cost in blood, but the Russians said that after yielding previous ground the Red army halted and pushed back a new penetration southwest of the city.

Both to the west and southwest the Germans were pouring tanks and armored cars and new reserves into the bloody struggle, but the mid-day communiqué indicated the Russians were holding.

Earlier the Russians had reported the capture by the Germans of an unidentified "populated place" southwest of Stalingrad. From all reports it was apparent that the crucial test for the beleaguered city was at hand.

The German high command announced Sunday that German troops were fighting in the southern streets of Stalingrad and that siege lines about the city had been tightened.

A Soviet tank detachment was credited with halting the German penetration of the Russian positions southwest of the lower Volga city. After the Germans had broken through the Russian lines, the detachment moved into the battle, knocked out five German tanks and 11 armored cars and supported the infantry in restoring the Soviet position, the Soviet Information bureau said.

Russians on Defensive.

West of the city the Russians were holding the defensive by masses of troops and tank forces. In the one phase of this fighting, described by the communiqué, seven German tanks were reported disabled by artillery and anti-tank fire while 13 others turned and fled.

The Red army was fighting hand-and-hand over a broad area west and southwest of Stalingrad, Pravda said in a front dispatch.

German air units which went up to bomb the Russians were forced to turn back without carrying out their mission when it became obvious that bombing of the massive close-quarter struggle below would destroy Germans as well as Russians, it was reported.

Pravda said the present battles were as bloody as any so far experienced.

A bitter fight apparently has developed in the city area east of Leningrad where the Russians seem to be trying to ease the position of Leningrad in preparation for the second winter of siege.

Enemy Defenses Smashed.

The high command announced that Soviet forces had "smashed" strong enemy defenses and occupied a populated place in this region, killing about 1,000 enemy troops. The Germans smashed back in a counter-attack, but were repulsed and suffered further losses, the communiqué said.

In the Central Caucasus, the Russians said their forces in the Moxdok area had halted the German drive toward the Grozny oil fields but that the Nazis were bringing up strong reinforcements and that a new assault was expected imminently.

Field dispatches said Soviet marines had been brought into action on this inland front and had

TRENCH MORTARS BE RETURNED AS BOMBS TO GERMAN FORCES

LEGION DONATE TROPHIES AT LOCAL PLANT IN MONDAY CEREMONY

Two heavy German trench mortars, trophies of World War I, were formally presented to the American Well & Prospecting Company Monday morning by officials of the Johnson-Wiggins Post No. 22, American Legion, to be made into bombs and returned to Germany.

The mortars had been used to decorate the grounds of the Legion Hall on North Twelfth street. With the serious turn in the German situation recently, the Legionnaires voted to contribute the mortars with the provision that they be converted into bombs.

Several days later assurance was received from officials of the American Well & Prospecting Company that the mortars would be converted into 1,000-pound S&P bombs.

Attending the formal presentation were F. V. Buecher, Legionnaire commander, P. D. Prince, company chairman for the collection of scrap metal; Mayor John C. Calhoun, L. V. Majors, Legionnaire adjutant; Elmer Rittersbacher, American Well executive; Mike Edwards, Legionnaire; and William Maxwell, superintendent of the American Well.

NAZIS MAY SKIRT CAUCASUS—German forces were driving Sept. 12 southward from captured Novorossiisk along a coastal road. Shaded arrow (A) indicates possible Nazi push to Caspian Sea by skirting Caucasus Mountains. In the Moxdok area (B) the Red army repulsed Nazi efforts to expand their bridgehead across the Terek River, while at same day Stalingrad was holding fast.

MAINE FIRST STATE HOLD ELECTION IN WINDUP CAMPAIGN

OLD SAYING THAT "AS MAINE GOES SO GOES NATION" DISPROVED

By The Associated Press.
MAINE.—Maine started the fall election ball rolling early today (Monday), choosing its governor and three house members at the close of a dull campaign that indicated a light vote and little bearing on the national political picture.

The old saying "As Maine goes so goes the nation" long since had been disproved.

Voting in the usually republican state started a week of balloting that will almost clean up the naming of candidates to run for the remaining 33 senate, 32 gubernatorial and 432 house seats at stake in the November 3 general elections.

Primaries will be held by both parties tomorrow in Massachusetts, New Hampshire, New Jersey, Michigan, and Wisconsin, while Connecticut democrats hold state nominating conventions and Mississippi democrats conduct a run-off between former Senator James O. Eastland and Senator Wall Doxey. Eastland led Doxey in a recent indecisive primary.

Only state convention in Rhode Island and some run-offs of congressional primaries in Louisiana will remain after this week.

Maine's first district congressional race between former Democratic Governor Louis J. Brann and Robert Hale, republican lawyer of Portland and long a supporter of President Roosevelt's foreign policies, attracted the most popular interest during the campaign. Brann also has supported the administration's foreign policies and promised to seek expeditionary action on the Townsend pension proposal if elected.

A spirited contest at a district republican convention in Connecticut also drew outside interest on today's political calendar, since it involved the bids of Mrs. Clara Booth Luce, author-playwright, and Miss Vivien Kellems, president of a cable grip manufacturing company, for a congressional nomination. Mrs. Luce keyed the republican state convention last week, assailing the national administration for talking a "tough war and fighting a 'soft' one.

Frenchmen Placed Under Compulsory Order for Work

VICHY, Sept. 14.—(AP)—French employees were ordered to stand by to assemble crews of workmen—apparently for shipment to Germany—under a sweeping new compulsory labor law which the Vichy government indicated it had decreed to avert the possibility of more stringent action by the Germans.

Subject to the law are all able-bodied Frenchmen between the ages of 18 and 50 and unmarried French women between 21 and 35, persons in these categories unable to prove they are engaged in work "useful to the country's needs" may be drafted "to effect all labors which the government will judge useful in the higher interests of the nation."

The law, effective with its publication this morning, also provides total state control of employment and working conditions, giving the government power to fix salaries and working hours. Untrained persons may be compelled to attend

BRITISH AND SOVIET BOMBERS BLASTED AT GERMAN OBJECTIVES

RAF BOMBED PORT OF BREMEN; RUSSIANS ATTACKED EASTERN AREAS

LONDON, Sept. 14.—(AP)—British and Russian bombers, delivering a new twin blow to the flanks of the axis 1,000 miles apart, smashed at the Northwest German port of Bremen last night in a RAF attack probably hundreds of planes strong, and raided Bucharest and the Ploesti oil region of Rumania from bases deep in Russia.

Northwestern Germany again came down in follow-up attacks, the air ministry reported, announcing a total loss of 19 British bombers.

The air ministry said the 100th attack of the war on Bremen was delivered by a "very strong force."

Returning pilots said they unloaded their tons of explosives over the Weser river port by the North Sea, whose waters glow they could see for 100 miles on their flight back to base.

The Berlin radio said Russian bombers were over Eastern Germany and sent dispatches from Bucharest that the Rumanian capital and the Ploesti region to the north were attacked by Soviet bombers.

The dispatches described the Ploesti attacks as ineffective and said Bucharest had two alarms during the night and some bombs were dropped but that no damage was caused.

Bremen is the site of important submarine building yards and the Pocke-Wulf airplane factory.

The German radio acknowledged that British raiders had caused "material damage and destruction to buildings, particularly in residential quarters." In an attack on a "harbor town," but did not otherwise identify the target.

It was the first RAF attack on Germany since last Thursday night, when Dusseldorf was blasted.

There was no German air activity, the ministry said.

The German radio, in reporting on the Rumanian raid, quoted the Transocean news agency as saying:

According to an official statement, other enemy planes effectively attacked the oil region near Ploesti.

It is rumored that parachutists were landed but no confirmation of this report is forthcoming.

Rumanian Oil Center Blasted By Soviet Planes

MOSCOW, Sept. 14.—(AP)—The Rumanian oil field center of Ploesti was left in flames as a result of a bombing attack last night by Russian planes, the Moscow radio reported today.

Bucharest, capital of Rumania, and Koenigsberg in East Prussia also were said to have been hit by Russian raiders.

Thirty-three fires, accompanied by heavy explosions, broke out in Bucharest, the announcement said. Five blasts were observed in the vicinity of a military barracks, arsenal and the Rumanian war ministry.

Six large fires were reported started in Ploesti.

Other Rumanian towns—not named—also were said to have been bombed.

All but one Soviet bomber returned to its base, the radio said.

More Czechs Sentenced.

STABILIZATION BILL INTRODUCED MONDAY U. S. SENATE

WAGES AT AUGUST 15 LEVELS AND FARM PRICES NOT BELOW PARITY

WASHINGTON, Sept. 14.—(AP)—Legislation specifically authorizing President Roosevelt to stabilize wages and salaries as of August 15 and farm prices at levels not below parity was introduced today in the senate in response to the President's demand that congress act by Oct. 1 to control inflation.

Introduced by Chairman Wagner (D-N.Y.) of the banking committee and Senator Brown (D-Mich.), pilot of previous administration price control legislation, the resolution would give the President broad power to deal with all other factors involved in the cost of living.

Brown explained that the bill "does not require that prices for agricultural commodities go to parity," but that commodities now below parity would be subject to "natural economic conditions."

The bill provides that the price ceiling shall not be fixed below the highest of these alternatives:

1. The parity price or "a comparable price" where one has been determined, or
2. The highest market price between Jan. 1 and Sept. 15, 1942.

The President could suspend section three of the price control act which prohibits the fixing of a ceiling on agricultural prices until they reached 110 per cent of parity.

In the case of other prices that figure in the cost of living, Brown said, the bill would not apply.

The change made from the March levels at which Price Administrator Leon Henderson has already fixed them.

"The President knows what is in the bill, we consulted fully with the President on it and I think it is in conformity with the President's objectives," Brown said.

Wagner announced that the banking committee would open hearings tomorrow and that they probably would last two or three days.

Allied Forces Hold Japanese In New Guinea

GENERAL MACARTHUR'S HEADQUARTERS, AUSTRALIA, Sept. 14.—(AP)—Allied forces held the Japanese at bay 40 miles north of Port Moresby for the fourth successive day yesterday while medium bombers dropped 17 tons of bombs on the Japanese base and airfield at Lae and Flying Fortress attacks on the enemy merchant ships and a cruiser.

New Guinea's const. a communiqué said today.

One allied bomb blew the stern off a Japanese vessel near Selen Island in the Timor island group between Australia and New Guinea and she was left in a sinking condition, the communiqué said.

Another ship was attacked with machinegun fire in the same raid and further south, off the Kai Islands, still another Japanese ship was bombed with unknown results.

Flying Fortresses attacked a Japanese cruiser and destroyer southeast of New Britain on the eastern side of New Guinea, but results could not be said, it was announced. All the Fortresses returned safely.

Allied medium bombers attacked Lae twice within a few minutes and destroyed two heavy Japanese bombers and started fires, the communiqué said. Another bomber unit attacked the base at Salama.

UNPRECEDENTED AIR RAIDS FOR ENGLAND PROMISED BY GERMANS WITH THREE NEW TYPE PLANES

By DEWITT MACKENZIE
Wide World War Analyst.

Disclosure that the Nazis have developed three new warplanes for use against Britain, including a sub-sonic bomber capable of operating from a height of 40,000 feet, lends substance to Berlin's threat last week that Germany is preparing to launch unprecedented air raids over England.

There is no reason to doubt that this threat accurately describes one of the feuerher's objectives and that he is getting set for the assault. To my mind, however, that doesn't tell the whole story, for the indications are that we also may expect a terrific dog-fight for supremacy of the air over Western Europe.

The steadily increasing British and American strength has put the Nazi chief on the spot—and a nasty one it is. The Anglo-Yankee combination holds superiority (though not "supremacy") in the air, and he must answer this allied challenge to domination—for two reasons:

1. His vital industrial centers are being devastated systematically by

STEVENSON RENEWS TEXAS' PROTEST AT GASOLINE RATIONING

TEXAS GOVERNOR SAID TEXAS WOULD GIVE ONLY GRUDGING SUBMISSION

AUSTIN, Sept. 14.—(AP)—Governor Coke Stevenson, announcing that he had officially renewed Texas' protests at gasoline rationing in letters to Price Administrator Leon Henderson, Speaker Sam Rayburn and Senator Tom Connally, said today that Texans would give only "grudging submission" to the order.

"No other subject has come before me as governor that so aroused the people of Texas," he declared, thumping through a big sheet of letters received from business and professional men, from laborers and farmers.

Along with Stevenson's action was a request for "immediate reconsideration" sent to President Roosevelt and the Texas congressional delegation by Robert Lee Hobbs, president of the Western Association of Highway Officials and member of the Texas highway commission.

"The unfortunate thing about gasoline rationing down here is that the government is going to find that there is a difference in voluntary participation and an arbitrary order proceeding from a bureau like Henderson's, which gives evidence of mental confusion," said the governor.

Undercurrent of Resentment.

"I think the spirit of cooperation on the part of Texans in the war effort has been wonderful. We demonstrated our willing cooperation when our men in great numbers volunteered to fight. The same was true in the Red Cross and all the other requests. But the real slump in bond sales demonstrated the undercurrent of grudging resentment against an order of this type."

Stevenson said his communications with Washington were a renewal of the protest made some months ago, in which all the good reasons we could muster" were presented.

Protest Letters.

He read parts of a letter received today from a San Antonio man who referred to gasoline rationing so far as Texas was concerned as "a half-brained swivel-chair mentality in Washington. It makes a fellow want to do anything short of taking his rifle and going to work on them."

"We can take as good care of our property as they," said another.

See SATIONING, Page 5

Aviation Cadet Becomes Member Caterpillar Club

Another aviation cadet at the army primary flying school of the Air Activities of Texas has unexpectedly joined the membership of the Caterpillar Club, it has been revealed.

He is Cadet Lewis Barnett Hackley of Tulsa, Okla., member of class 3-B. While on a routine solo training flight about 10 o'clock Sunday morning, his P-40 trainer reported to have suddenly developed flying trouble, forcing him to bail out.

The plane crashed on the R. L. Wheelock farm, a Cadet Hackley escaped with minor injuries.

Only one other cadet has been forced to "hit the air" since the Corsicana school has been in operation.

Officials stated Monday morning that Cadet Hackley would return to the flying line within the next few days.

ROYAL AIR FORCE AND AMERICAN BOMBING ON A BIG SCALE

Moreover, his rail transport is being cut to pieces. That's a bad combination—loss of essential manufactures, and lack of transportation facilities for the supplies still available.

2. If Hitler is to protect himself against a land invasion of western Europe, he must control the air. The indications are that we also if they are to put an expeditionary army ashore. He certainly doesn't dominate it now, and Major General Carl Spaatz, commander of U. S. Army air forces in Europe, declares our Flying Fortresses are the key to aerial mastery.

For long weeks now Hitler has stood by in apparent meekness and seen his resources disappear in the deluge of allied bombs; he has seen some of his proud cities all but wiped out. Only last night a strong force of British bombers was over the great port of Bremen again, while Russian planes were strafing eastern Germany. But his meekness has been seen.

GIRLS TRY NEW 'STANDST' SEATS—Two government employees, Jeanette Pederson (left) and Minniepaul and Vera Whedon at Kansas City, try newest squeeze play pulled on Washington's commuting guinea pigs—the standst seat. Seats are placed only 18 inches apart, will increase "seating" capacity of buses and trolleys from 25 to 40 per cent.

UNITED STATES NOW PRODUCING HALF OF MAXIMUM WAR EFFORT

PRESIDENT TELLS CONGRESS MAXIMUM MUST BE REACHED FOR VICTORY

WASHINGTON, Sept. 14.—(AP)—President Roosevelt told congress today that the United States was producing only a little more than 50 per cent of its maximum possible war production and solemnly warned:

"Not until we have reached the maximum—and we can do this only by stripping our civilian economy to the bone—can our fighting men and those of our Allies be assured of the vastly greater quantities of weapons required to turn the tide."

"Not until then can the United Nations march forward together to certain victory."

The President's statement was in a letter transmitting the sixth quarterly lend-lease report in which he spoke of Britain as an "offensive base." The report showed such aid to the British commonwealth of nations and 35 other countries during the 18 months since the program began totaled \$6,489,000,000, with actual exports amounting to \$3,525,000,000.

In the same time lend-lease countries purchased \$5,800,000,000 worth of goods, including munitions, from this country. Lend-lease help is now being provided at the rate \$8,000,000,000 a year, with the maximum aid possible under 15 separate appropriation acts reaching almost \$63,000,000,000.

At present, the report said, about 35 per cent of lend-lease exports were going to the United Kingdom, 35 per cent to Russia, and 30 per cent to the middle east, Australia and other areas.

"Aid to China," it was added, "has been limited by the difficulty of transportation, but the development of other means of transportation will relieve this situation."

The President said in his letter that deliveries of lend-lease goods, which have been growing, will have to grow much larger still.

"We and the other United Nations need all the weapons that all of us can produce and all the men that all of us can muster," he added.

Compared with available resources, he said, Britain and Russia had produced more weapons than the United States.

WASHINGTON, Sept. 14.—(AP)—Government-owned "Seamobile Incorporated" has completed tests and asked for bids for construction of a full-scale model of the "seamobile," a modified version of the "sea otter," shallow-draft cargo ship described as being virtually immune to torpedo attack.

President Roosevelt made this disclosure in a report to congress today on lend-lease expenditures.

Such a vessel was advocated

HIROHITO'S LITTLE BROWN MEN BETTER THAN HITLER LEGION

AUSTRALIAN VETERANS WHO HAVE FOUGHT BOTH SAYS JAPS READY DIE

By MURLIN SPENCER.
MELBOURNE, Australia, Sept. 14.—(AP)—Australian veterans who fought the Germans at Tobruk and the Japanese at Milne Bay agreed unanimously today that the Japanese soldier is a wily fighting man more dangerous than any Hitler throw at them.

"It was like fighting tigers down in that jungle and it was a question of kill or be killed," said one Aussie who got a bullet wound in the neck at Milne Bay, in South-eastern New Guinea.

"There was no quarter given and no prisoners taken on either side."

He was among the first wounded to arrive in Australia from the Milne Bay action, which started Aug. 26 with a Japanese convoy moved in a naval landing force under cover of darkness in a peeling rain.

One Australian unit clashed with the invaders about 3 a. m. and by afternoon had driven the enemy more than a mile back toward their landing place.

The Aussies encountered a bag of Japanese tricks, from firecrackers to infiltration.

This is the story one of the wounded told:

"The Japanese noise tactics were alarming, to say the least, during the three engaging battles. They set up a hell of a chatter and chatter, blew trumpets and whistles and set firecrackers to popping."

"Many of the 'crackers' appeared to be a kind of delayed action grenade which was lobbed behind the front line."

"I'm going to take it easy now and rest a day," added the lieutenant who sat beneath a tree putting away a meal of corned beef and taking swipes at ants and mosquitoes.

Other pilots were just as enthusiastic as Carter over the job at Buna as planes were destroyed and the flames were destroyed and the

BATTERED CAPITAL OF VOLGA REGION STILL HOLDING OUT

INVADING HITLER HORDES DECLARED CHECKED ON CITY OUTSKIRTS

By CLYDE A. FAIRSWORTH
Associated Press War Editor.

After three weeks of already frightful struggle on the immediate approaches to Stalingrad, main theater of the world conflict, the German offensive achieved peak ferocity today against the elastic Russian defense and the Germans claimed, two penetrations of the city itself.

By Russian accounts, however, the battered capital of the lower Volga region still flow her red banners of battle, with the foe checked once more on the outskirts.

The Germans said that Stalingrad has been entered in both the southern and northwestern sections. The southern penetration was first reported yesterday, the northwestern today. The latest German claim today said dominating heights in the northwest of the city had been occupied after a bloody fight.

Typical of the repeated rectifications in the semi-circle of defense was the official Russian admission that precious ground had been yielded southwest of Stalingrad but only until it could be marshaled to stop and then blunt the new penetration.

British and Russian airmen flailed Germany from the west and the East during last night. A strong RAF force hammered anew at Bremen, important plane and submarine construction center of northwest Germany.

Nineteen Bombers Lost.

A hint of the strength of the RAF attack came in the British acknowledgment that 19 bombers were missing after the night's work. It was the 100th raid on Bremen, Germany's second largest port.

Officially, the RAF attackers amounted to "a very strong force"—a British phrase used in the past to mean hundreds of planes.

Serious mass night attacks on Bremen, a city of objectives in northwestern Germany and "intruder patrols" over northern France, the RAF executed dawn attacks with single planes in the same general area of Germany.

The Russian objectives in Germany had not been identified in a German broadcast dispatch said that the Russians also bombed Bucharest, Rumanian capital, and "ineffectively attacked" the oil-field section around Ploesti, also in Rumania.

The dispatch said it had been rumored that parachutists were landed in the Ploesti region, but added, "no confirmation of this report is forthcoming."

Russian Saboteurs.

The German suggestion that Russian saboteurs might have been landed in this rich oil region fitted into the widening pattern of such attacks by the British and Russians over the week-end.

These were topped by a British action against Tobruk on the Mediterranean and a Russian marine landing behind German positions.

See INTERNATIONAL, Page 5

ARMY DESERTER CONFESSES MURDER WELFARE WORKERS

SAN MARIA, Calif., Sept. 14.—(AP)—Vivid description of how he killed two Wisconsin social workers was contained in a lengthy confession authorities possessed today from Robert T. Bailey, 23-year old army deserter.

Thomas Weldon, deputy district attorney, said Bailey admitted he fatally shot Miss Nell Pietrangeli, 39, and Dorothy Baun, 22, and left their nude bodies on a roadside outside Tomah, Wis., last Monday night, after they had befriended him by giving him a ride at Madison.

"After driving down the road, I made both women get out of the car and take off all their clothing. I wouldn't do me any good, and I told them to get going, and I fired at them."

"The big one (Bailey said he didn't know their names) was a little ahead of the little one from me, and they both fell at the same time when I fired the first time. I stood off about five yards and I shot the bigger one in the back."

"The little one was grunting and groaning, and when she turned around, I shot her. I fired three shots together. I believe the first shot went through the smaller girl and also struck and knocked down the bigger girl ahead of her."

Bailey was arrested Saturday after driving here with two 16-year old girls he met in Sioux City, Ia., after the killings.

CORSICANA, TEX., SEPT. 15, 1942

THE DESTROYERS

Japan and Germany are strangely alike. Both are militaristic and predatory, inclined to war and eager to flourish at the expense of other nations. The love of peace, normal to Britain and America and other modern, enlightened nations is not in them. Whatever their pretensions, they prefer to live by conquest. Their ideals are those of the half-crazed Friedrich Nietzsche, philosopher of the "Will to Power," putting strength and ruthlessness ahead of international peace and cooperation. They represent organized banditry against constructive progress.

Of these two nations the Germans obviously are the more civilized. There have long existed in modern Germany gifted individuals and groups possessing high culture and fitted for modern progress and international cooperation. But they have lacked strength to withstand their own bold fellow-countrymen bent on power and world domination.

These two national villains in what might otherwise be a peaceful and cooperative world are bound to come into collision sooner or later, because the world is not wide enough for both. But in the meantime they made common war upon the constructive, progressive nations, to destroy the civilization made by peaceful men.

It is well to keep these facts clearly in mind, in order to understand the present war and the overwhelming importance of victory for the live-and-let-live Allied Nations over the destroyers.

BUSINESS TAXES

The Senate finance committee, kindly in the midst of its necessary harshness to federal taxpayers, votes to give back 10 per cent of the surtaxes and excess profits levies, after the war. That would be very nice. And certainly the proposed rates of 45 per cent on normal and surtax earnings and 90 per cent on excess profits seem harsh enough to justify some kind of financial poultice.

But such things are all on the lap of the gods, and subject to forays and inroads by the United States Treasury. It is natural to wonder, when business gets out of what it's getting into—if it ever does in this economic era—whether the government won't have to keep on with very heavy taxes for many years, to carry and whittle down an enormous war debt.

END OF SLAVERY

President Roosevelt in one of his latest talks to the nation, pledges the doom of "inhuman tyrants." And it may be, if the free peoples hang together and give everything, that the job can be done. It is a job that started with the invention of printing and its practical use in England five centuries ago by William Caxton.

The rod used so long on slaves and subject peoples is beginning to crack now, as the free nations combine not only to preserve their own freedom but to liberate the remaining slaves.

Donald Nelson maintains that "we're fighting the Axis—not each other," but a lot of fellows at Washington don't seem to see it yet.

Edgar A. Guest

The Foot of the People

THE FUTURE

Rough the path and steep the hill,
Step by step keep climbing still.
Wild the storm and dark the night,
Follow still faith's candle light;
Watch and work and wait and pray,
Little's settled in a day.

Look beyond the present fear,
Skies may soon begin to clear.
Burdens lighter are, you'll find,
Carried with a cheerful mind.
Time sweeps many a care away,
Little's settled in a day.

Nothing worth while comes with ease,
Hard to win are victories.
Who would skill and wisdom gain
Lives with weariness and pain,
Disappointment and delay,
Little's settled in a day.

Worried, fearful and perplexed,
Wondering what may happen next?
Brave the present moments through,
All tomorrow waits for you.
Work and wait; let come what will,
Little's settled in a day!

DAKAR AGAIN

Vichy reports say that relations with the United States are "at the breaking point." Most Americans regardless of the feeling of patient experts at Washington, will probably agree that the sooner the break comes, the better.

The same reports express concern about the fate of the French colonies in north and west Africa, including Dakar. The latter, a fortified town on the western bulge of the Dark Continent, might be used by Hitler and his French friends as a springboard for hopping across the Atlantic in its narrowest place. It is now of vital interest to Brazil as well as Uncle Sam.

It would be grand to wake up some morning and learn that an American "task force" had taken over Dakar. That has been too long delayed.

THAT SECOND FRONT

The insistent calls for a second front are justified by its need. Sometimes, however, the callers seem to suggest that the governments of Great Britain and this country need to be prodded, that they might have opened a second front long ago if they had been sufficiently interested.

Such a notion surely shows a lack of acquaintance with the leaders of the United Nations. Whatever the faults of Franklin D. Roosevelt and Winston Churchill, lack of fighting quality is not among them. To the President and the Prime Minister the offensive is temperamentally preferable to the defensive. If the second front has not yet been established, it is far more serious than lack of interest.

General Wavell, the British commander in the Near East, while lecturing on war some years ago, made a pertinent remark: "There are ten military students who can tell you how the battle of Blenheim was won, to one who has any knowledge of all of the administrative preparations that made the march to Blenheim possible."

Depend on it, as soon as it is feasible the second front will be established.

PRODUCTION

Herr Goebbels, the Nazi propaganda boss, refuses to believe the reports of American output of war materials. He insists that our industry is failing, that plants are standing idle and employees are demanding higher wages and picketing instead of working.

There is just enough truth in such statement to bring belief among people who want to believe them. And the more Goebbels and his outfit credit and exaggerate them, the happier it should make intelligent people over here. Well informed Americans say the German machinery of production is breaking down, from over-use without repairs and replacements. If the Nazis think our production is in still worse shape, we benefit both ways.

At the same time there should be more serious efforts made by patriotic Americans, both management and workmen, to lessen the margin of idleness and waste effort and turn out the largest possible production. American workmen

White's Chapel H. D. Club Met Wednesday

The White's Chapel Home Demonstration Club met Wednesday, Sept. 9, at the Community center. Mrs. H. M. Washburn, vice president was in charge.

Mrs. Maurice Pollock discussed "Dietary Diseases," telling the women the importance of a correct diet every day. A correct diet will be a preventative for many diseases, she explained.

The hostess, Mrs. Harvey Beaman, served cold drinks, cookies and candy, to nine members and two visitors, Misses Betty Jean Beaman and Louise Spiveck. Mrs. J. M. Parrish will be hostess for the next meeting on Sept. 23.

Dawson Training.
DAWSON, Sept. 11.—Football practice is under way for the Dawson High School Bulldogs with nine squadmen returning from the 1941 team. Transfers from the Union High School has bolstered the grid prospects.

are the most productive in the world, per hour of work; but employees in any other country would consider our working hours absurdly short for such a national crisis.

INCOME TAXES

The thriftlessness of this nation is shown again, with startling clarity, in the statement of the Senate finance committee, that the present revenue bill passed by the House ignores more than half of the people with incomes and leaves \$36,000,000,000 a year free from personal income taxes. To any other nation in the world this must be incredible.

Experts point out the absurdity of such a situation, when the government faces a deficit of \$50,000,000,000 a year resulting from war expenses incurred to save the nation's life. Higher federal taxes will certainly have to be paid sooner or later. The easiest time to pay them is when the national income is so high as it is now.

Only 970 Bales Of Cotton Ginned Prior Sept. 1st

There were 970 bales of cotton ginned in Navarro county from the 1942 crop prior to September 1, as compared with 1728 bales at the same time last year, according to figures released Saturday by George Campbell special agent.

Personal Mention Of Kerens Folk

KERENS, Sept. 12.—(Spl.)—Mrs. George S. Mayo has gone to Fort Worth where she will make her home, as Mr. Mayo has for some time been employed there.

Miss Jane Massey, daughter of Mr. and Mrs. F. H. Massey has accepted a position with the public school system at Killeen, in the primary department.

Jim Bob Ivey, son of Mr. and Mrs. F. H. Ivey left last week for Arlington where he has enrolled as a Sophomore in the Electrical Engineering school. Jim Bob is trying out for college football.

Mrs. Warren Green, daughter of Mr. and Mrs. Sam Crowley of Kerens, received her degree in Library Science at NTSTC in Denton on August 22nd, and has accepted a position with the Pleasant Grove school, in Dallas, as their librarian.

Mrs. George Labban, Jr., Barney Meador, William T. Matthews, Willie L. Greer, Sidney L. Williams, Walter R. Robertson, Turner W. Dillard, Leon W. Brewster, Freddie L. Bonner, Rollen S. Barnes, Charles M. Ellington, Cecil J. Wilson, Johnson W. Goode, Albert J. Bailey, Charley R. Driver, Jr., Jack R. McWhorter, Henry H. Patterson, Del Jones and Albert C. Donoho.

Mrs. Tandy Bailey left last week for Walla Walla, Wash., to be near her husband who is stationed at Camp Pocatello, Idaho.

Mrs. and Mrs. Roy Cline have had as their guests, Mr. and Mrs. Merlyn Murphy of Las Vegas, Nevada; Mr. and Mrs. H. M. Cloud, Mr. and Mrs. Preland, and Mrs. Hall of Ennis and Misses Katherine and Charlene Barr of Denton.

Mrs. R. C. Floyd, now of Houston, who was reared in Kerens, has landed in England, according to information from the government and a letter recently received by his wife, here.

Kerens Boy Given Going-Away Party

KERENS, Sept. 11.—(Spl.)—Billy Prince Berry, popular son of Mr. and Mrs. Albert Berry, was honored by a group of young friends with a going-away party at the American Legion club house on Tuesday evening.

Billy Prince, who was a member of the 1942 graduation class of the Kerens High school, left the next day for Lubbock where he will enter Texas Tech, and also be a member of the household of his aunt, Mrs. George Evans, of that city.

A beautiful shirt was presented to the honor guest, just prior to departure from the party which was termed by all, a huge success.

Sgt. Julius Jacobs To Officers School

Sergeant Julius Jacobs, former Corsicana attorney, has been appointed to the officers candidate school at Fort Benning, Ga., and will leave for training there next Friday.

He is spending a three-day furlough here and is scheduled to return Sunday to Camp Barkley near Abilene from which point he will entrain for Fort Benning.

Sgt. Jacobs enlisted in the U. S. army several months ago and was stationed for some time at Fort Sam Houston.

Raymond Ward Promoted.
Raymond Lloyd Ward of the 831st school squadron, Army flying school at Greenville, Texas, has been promoted to Corporal. He is the son of Mr. and Mrs. L. A. Ward of this city and a nephew of Vernon Fato Pickett, chief deputy officer, U. S. Navy, who is listed as missing in action in the Manila Bay Area. Young Ward volunteered in the Air Corps last January.

DADS ENTERTAINED FOOTBALL SQUAD FRIDAY EVENING

Members of the 1942 Corsicana Pacer football squad were entertained Friday night by the Dads club. An impromptu program was carried out with M. H. Statham, president of the Dads, as toastmaster. Plenty of eats were provided under the direction and supervision of Mrs. Marshall.

The Dads Club decided to continue to function despite war conditions, and a number renewed their membership following the program.

W. P. McCammon, president of the board of education, praised the Dads Club as thoughtful and considerate of the students and predicted the team would give a good account of itself under Coach Roy Segars.

Superintendent W. H. Norwood said that the school was going ahead and try to put one of the best teams in the country, pointing out that military officers unanimously stress the need for athletics. He said the traveling expenses would be greater, but added that more people were employed and that the attendance might be better.

L. D. Ransom said the town was behind the team and wished the team good luck. W. A. Lang suggested the boys work and play a little harder, and assured the club that while the citizenship could not follow them as in the past on the road trips, they would be behind them.

Principal O. P. Douglas said the 1932 championship Tiger eleven did not look like a world-beater but won through determination to carry on.

Assistant Coach Roy Segars spoke briefly, and then Coach Segars introduced the 40 boys present. He referred to weather interference in the training program, but said the club had "come a long way" and asserted he did not believe the fans would be disappointed in the 1942 Tigers.

Boyle Martin referred to the organization of the Dads Club several years ago, and outlined some of the things done for the schools and athletic program. He said the Dads will carry on the best it can under the circumstances. President Statham pointed out that the club had spent \$100 money remaining from last year for the feed Friday night. A membership campaign will not be waged, but a number renewed their membership following the program. He said the Dads had made contributions to every school in the city.

Kerens Boys Join Lamar Grid Team

KERENS, Sept. 12.—(Spl.)—Two popular football stars, former members of the Robert squad, left last week for Beaumont, where they have entered Lamar Junior College. Both boys will play on the college football team, and had to leave early for preliminary training.

Robert Childress is listed as a freshman, while Lunt Thornton entered as a sophomore. Several other Navarro county boys are on the same team.

Log of Kerens Man Amputated.
KERENS, Sept. 12.—(P)—George Bradley underwent the third operation of the leg within the last year Thursday at the P. and S. Hospital. Infection of the injured member necessitated the last amputation at the thigh. Reports from his bedside are that he is doing as well as could be expected.

Barry School Open Sept. 21.
BARRY, Sept. 11.—The Barry school term will open Sept. 21, according to H. M. Nicholson, a member of the school board.

Mrs. Peggy Eckert of Corsicana assumed her duties as a deputy in the office of Halcy Blake, Navarro county assessor and collector of taxes.

TECHNICIANS APPLY FOR ENLISTMENT IN U. S. ARMY AIR CORPS

THIRTY FIVE CORSICANA MEN ANSWER EMERGENCY CALL FOR MECHANICS

WACO ARMY FLYING SCHOOL, WACO, September 11.—(Spl.)—Thirty-five Corsicana technicians applied for enlistment under the Air Corps direct enlistment system last Saturday and Monday when Lieutenant J. E. Moore, personnel officer at the Waco Army Flying School, set up recruiting facilities in the Navarro Hotel.

Those applying had definite assurance they would be stationed near Waco for duty should their application be accepted.

Seeking enlistment were: Eldridge Adolph Patterson, George Everett Helaseter, Robert Carl Lee, Newburn Key Bailey, John L. Moore, Billy Bird Jones, James Morrison, Mitchell, Henry Ford Terry, Waymon Elene Aram, Dong, James Norwood Willoughby, Daniel Victor Bundick, Albert Author Mooneyham, Winifred Ernest Probst.

Allyn Daymon Mathews, Glen Joseph Cook, Elmer E. White, Ler Nelson, Detroit Crockett, Roy Badie Stewart, Morris Ray King, Marvin Miller, Horace Orestes De-Jarnett, Ralph Glen Hale, Amen Herbert Hale, Earnest Ray Jackson.

George Earl Evans, Willie Oliver Willoughby, James Alexander Hickley, Leonard O'Neill Freeze, Tommy Dalton Cosby, Clois Earl Gray, James Worth Mitchell, Thomas Aaron Green, Julius Eugene Thode, John Ernest Taylor, Jr., and Wayne Davis Maggard.

Corsicana men who were unable to see the recruiting officer and who are interested in enlisting in the Air Corps under the plan, may contact Lieutenant J. E. Moore, Waco Army Flying School or Lieutenant Russell G. Pankey, Blackland Army Flying School, both in Waco.

Under the Air Corps' direct enlistment system all men between the ages of 17 and 45 with some basic knowledge of mechanics, radio operating, welding and instrument, etc., may apply. Those accepted will go to a replacement center for a few days of recruit drill after which they will be assigned to duty at one of the Waco Army Flying Schools.

Waco officers are emphasizing that the need is so great, every man seeking enlistment that can qualify will be accepted. Applicants need not be experts, for they will receive additional training after enlistment.

Recent Kerens Bride Honored at Shower

KERENS, Sept. 11.—(Spl.)—Mrs. Ashley Barnes, Jr., formerly Miss Betty Graham, Talley of Kerens, was the recipient of a lovely social courtesy on last Wednesday afternoon, when four of her mother's friends entertained with a lovely miscellaneous shower in her honor. Designated home was at Mrs. H. A. Quate's home, who was assisted as hostess by Mrs. E. H. Gray, Mrs. Andrew Talley, and Mrs. J. B. Coates. Floral appointments were tastefully beautiful, consisting of seasonal flowers from the home garden.

After greeting Mrs. Quate, Mrs. Talley, Mrs. Barnes and her mother, Mrs. W. B. Talley, guests who called to wish bon voyage through life to the lovely bride, were ushered to the dining room and served a delicious refreshment course. Mrs. Coates, Mrs. Gray, Mrs. E. L. McCluney, Mrs. R. D. Mabry, Mrs. J. C. Clayton, Mrs. C. C. Sessions, Mrs. A. B. Keen, Mrs. L. S. Keen of Corsicana and Miss Diane Coates as members of the party, served the refreshments.

An impressive feature of the party was the array of beautiful and appropriate gifts sent by admiring friends, while the eye-catching light of the lovely party was the patriotic floral theme observed on the dining room table.

Laid in a pineapple linen cover the table held at its center back a grouping of perhaps 12 or more U. S. flags flanked on either side at intervals down its entire length by small crystal containers holding dainty red verbenas. Complementing the background was a huge bow of red satin ribbon placed directly in front of the flags, with long streamers of the same satin beauty extending to opposite corners of the table. Further carrying out of the chosen colors was noted in the red punch served from a large bowl, while corresponding crystal trays of white cake squares served as a foil for the white table cloth.

The colorful afternoon dresses worn by each member of the house party added the final touch, and enhanced the beauty and specialness of the day, which will be long remembered by both honoree and guests.

Dawson Cemetery Association Elects

DAWSON, Sept. 11.—The following officers were elected this week at the re-organization meeting of the Dawson cemetery association: Mrs. C. A. Willis, president; Bill Lawrence and Mrs. J. W. McElroy, vice presidents; Mrs. J. L. Turner, secretary; J. E. Davis, treasurer, and L. W. Edwards, L. W. Edwards, H. A. Roloff, Wesley Hale, W. C. Roberts, Miss Stella Berry, Miss Emma Dickson and Mrs. J. G. Garner, board of directors.

Barney Glenn Smith Former IOOF Home Student To Be Flier

HOUSTON, Sept. 10.—(Special)—Barney Glenn Smith of Corsicana Thursday successfully completed mental and physical tests which qualified him for Aviation Cadet training in the U. S. Army Air Corps. Young Smith was examined by the Aviation Cadet examining board at the Houston recruiting and induction station. Smith attended the I.O.O.F. High School, where he graduated in May this year.

He will complete his enlistment within the next few days, joining the Air Force enlisted reserve, and will begin his Aviation Cadet training within a short time.

FAMILY OF FIGHTERS—The Baker family of Corsicana and Bay City is truly a military one. There are three boys in the family. One took part in the first allied raid on Dieppe as a pursuit pilot, another is an officer in the artillery at Fort Sill and the third is a corporal at the Fort Sam Houston Reception Center, waiting orders to report for training as a flier.

Mother of these soldiers is Mrs. Verna Bristow of Celina, Texas.

Elders of the boys is 2nd Lt. Morris L. Baker, in the artillery at Fort Sill. He was a national guard officer before going into the federal service.

Second son is Cpl. James B. Baker of Co. A. (above) Fort Sam Houston Reception Center. He has flying training and is waiting orders to report at his new station. While waiting he is drilling recruits.

The baby of the family, Lt. Royal N. Baker, A. A. P., was the first to see active service when he took part in the first American raids on European soil in this war, the commando attack on Dieppe.

If this war isn't won in a hurry it won't be the fault of the Baker family.

JOHNSON OPPOSES NULLIFYING LAWS OF SEVERAL STATES

WASHINGTON, Sept. 12.—(P)—Rep. Luther A. Johnson (D-Texas) told the house he opposed the conference report on the soldiers' vote bill (RH-7416) because it "nullifies the laws of the states which require poll tax payments and undertakes to do so in violation of the states' qualifications of voters."

The representative said in the Congressional Record that the senate amended the measure to provide that no person in military service should be required as a condition of voting to pay any poll tax. He said he believed that such an amendment to the federal statute set aside the laws of the states requiring payment of the poll tax.

And this is in flagrant violation of the constitution of the United States, which prescribes that each state shall determine the qualifications of its voters," Johnson added.

He said the poll tax requirement as a qualification for voters in Texas was written into the constitution of the state and the bill would attempt to nullify that basic state law. He said he had deep sympathy for those in the armed forces and would not do anything to prevent them voting but added he could not "stultify myself by voting" for a measure he believed was unconstitutional.

Birthday Party For Fairfield Girl

FAIRFIELD, Sept. 12.—(Spl.)—Mr. and Mrs. C. B. Whalley entertained with a surprise birthday party Wednesday evening, in honor of their daughter, Kathryn.

The guests arrived about 8:30 and many enjoyable games were played on the lawn.

Delicious refreshments of chicken salad, and pimento cheese sandwiches, potato chips, olives, angel food cake and punch were served to the following guests: Clark Loper, Wayne Newman, Fern Richardson, Billy Pullin, Helen and Dimples Watson, Cecil Brown, Roger David Stewart, Bobby Sparks, Johnnie Webb, Hazel Thompson, Jane Harris, Juliette Miles, Emma Louise Stewart, Mr. and Mrs. Bradley Richardson and the honoree, and the host and hostess.

Kerens Girl Goes to Waco.
KERENS, Sept. 12.—(Spl.)—Miss Cecil Ross, daughter of Hunter Ross of Kerens, who has held a position with C. P. Squires variety store for some years, left the first of the week for Waco, where she has accepted a position with Montgomery Ward & Co. Miss Ross will make her home in Waco with Mr. and Mrs. Sam Stogner, former Kerens residents and friends.

Expenditures will be next considered. Estimated budget for disbursements this year amounts to \$158,310. This amount to a total expenses last year, a decrease of \$2,341.14.

This includes \$6,700 for general control: educational administration, business administration, clerical workers, and other expense of administration. Remainder is listed as follows:

\$15,910, for instructional service—salaries and teaching materials and supplies.

\$15,900, for operation of school plants—utilities of janitors, cleaning supplies, fuel, light, water and other expense of operation.

\$3,500 for maintenance of school plant—upkeep of buildings and grounds.

\$2,400, for auxiliary agencies—transportation of children and bus upkeep, library books and supplies, health inspection and supplies, and cafeteria expenses.

\$2,400, for fixed charges—rent and insurance.

\$1,000, for capital outlay—new buildings and additions and new equipment.

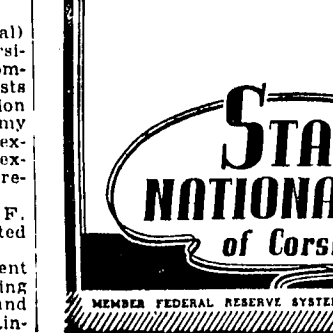

\$1,000, for debt service—interest on borrowed money.

PROFIT IN POTATOES

According to newspaper reports from Plainview, Texas, farmers in that section have made large profits this year from potatoes. Some of the land has yielded as much as \$350.00 per acre and individual farmers have made as much as \$25,000.00 profit. Much of the land in Navarro County is as well adapted to the raising of potatoes as that around Plainview. As long as the war lasts and probably for sometime thereafter there will be a big demand for this vegetable. If you are interested in diversifying by raising food we will be glad to assist you in making your plans.

Food will go a long way towards winning the war.

25th Anniversary Year

NEW REGULATIONS REGARDING I-B MEN FOR AIR SERVICES

It was announced today by Sgt. M. A. Strickland of the U. S. Army recruiting office here that under new regulations, men who are classified with their selective service boards at I-B (having minor physical defects) are now eligible to enlist in the army air force as specialists.

This includes all men between the ages of 18 and 30 who have had some mechanical or repair experience. Sgt. Strickland stated that men accepted for this assignment will probably be stationed in an air school relatively near their home and will receive training that should be valuable to them in later civilian life. Men do not need to be experts to qualify, he said.

A few of the qualifying trades was listed as bicycle repairmen, farm mechanic, watchmaker or repairman, vacuum-cleaner repairmen, men, jeweler, electricians, amateur radio operators, auto mechanic, and men who make a hobby of radio or mechanics work.

Applications will be received at the recruiting office in the basement of the Post Office. Men who have been rejected for this assignment due to a minor physical defect are urged to apply again, Sgt. Strickland said.

ATTENTION CALLED PRICE REGULATIONS RETAIL MERCHANTS

Attention has been called to maximum price regulations which affect numerous retail merchants and service operators by the Navarro County War Price and Rationing Board.

The regulations provide that every person selling service for which maximum prices are established shall prepare and file a statement showing the following:

- (1) The highest prices which were charged for services supplied during March, 1942, for which prices were regularly quoted in that month together with an appropriate description and identification of such services;
- (2) The rate, if any, or the pricing method and charges, if any, regularly used during March, 1942, and
- (3) All customary allowances, discounts and other price differentials in effect during March 1942.

Navarro County Junior Red Cross To Be Recognized

Navarro County's 3447 Junior Red Cross members will be recognized with 14,000,000 members all over the United States on Tuesday, Sept. 15, the twenty-fifth anniversary of the founding of the organization. Mrs. R. B. Mitchell, Navarro County executive Red Cross secretary, has announced.

Approximately half of the total population in all elementary and secondary schools in the nation are members of the Junior Red Cross and a large increase is expected this fall. Since this country's entry into the war, more than 3,000,000 comfort and recreation articles have been made by Junior Red Cross members for our armed forces, officials report, and this total does not include the thousands of articles produced for Red Cross Camp and Hospital Service Clinics.

The Junior Red Cross, alone, contributed more than a half million dollars to the Red Cross War Fund in the drive last winter and more than \$250,000 has been contributed for relief of children in war zones. Material for clothing was sent by the Junior Red Cross to children of Greece whose fathers had been killed in the war and a \$10,000 shipment of cocoa was delivered to these same children as a gift of this country.

Other activities accomplished by this group of children include: sending of Vitamin B-1 tablets to Chinese children, buying shoes for Russian children, funds to establish and equip day nurseries and convalescent homes.

School Activities. Mrs. Mitchell pointed out that for 25 years a strong and socially constructive program has been developed in the schools by the Junior Red Cross. Skills are developed in making toys an clothing and members are trained in first aid, accident prevention and water safety, in home nursing and nutrition.

In Navarro County 22 elementary schools are enrolled for a total of 2570 elementary members. Ten high schools are enrolled with 877 members. Mrs. Allen Edens, Jr., has been serving as Junior Red Cross membership in schools is as follows: Sam Houston, 288; Barry elementary, 100; Barry high, 55; Dawson elementary, 187; Dawson high, 145; Mildred grammar at Burleson, 55; Mildred elementary, 70; Mildred high, 136; Pickett elementary, 40; Petty's Chapel elementary, 72; Petty's Chapel high, 31; Buffalo elementary, 26; Pasadena elementary, 35; Wilson, 38; Bazette, 54; Emhouse elementary, 185; Emhouse high, 110; Powell elementary, 120; Powell high, 80; Long Prairie, 114; Corbett, 53; Bryan, 103; Robert E. Lee, 75; Broadway, 21; Bradley high, 37; Richland elementary, 200; Richland high, 100; State Home elementary, 423; State Home high, 175.

Mrs. Gerald Parker Honoree of Shower

KERENS, Sept. 11.—(Spl.)—Mrs. Gerald Parker, who before her recent marriage was Miss Zeke Leff, of Kerens and Galveston, was named honoree and complimented with a lovely miscellaneous shower on last Wednesday afternoon. Hostesses for the occasion were Mrs. Loyd Kent and Mr. Allen Paul, who entertained in the home of the latter, on McClintock Drive, from 3 to 5 p. m.

Guests were greeted at the door by the two hostesses, assisted by Mrs. Alvin Barnett, who presented the guest of honor, Mrs. Willard Parker, mother-in-law, and Mrs. Nora Spivey, grandmother. After signing the bride's book, in charge of Mrs. Homer Cartridge of Powell, lovely refreshment plates attractively holding dainty sandwiches, butter cookies and lead punch, were served by Mrs. Ford Ivey, Sr., and a corps of helpers. Mrs. Fred Spivey of Corsicana directed all to the bedrooms which were piled high with a varied and useful assortment of beautiful gifts.

The color scheme chosen for the party shower was yellow and green, and the colors were never more attractively blended than in the many plumed notes about the entire entertainment suite.

Mrs. Parker was honored with a kitchen shower last week by Mr. and Mrs. R. L. Wheelock at the Wheelock Farms east of Corsicana, and is making her home with Mr. and Mrs. Willard Parker of Corsicana, parents of her husband, while he finishes his senior year at A. and M. College.

Upon graduation in January Mr. Parker will receive a second lieutenant's commission and the couple will probably live in or near one of our many army camps.

Mrs. Parker was the popular daughter of Mr. and Mrs. Brack Land, and was reared in Kerens, her parents having only a year or two ago moved to Galveston.

Kerens Youth Weds In New Orleans

KERENS, Sept. 11.—(Spl.)—Of interest to Kerens folk is the announcement of the marriage of a former Kerens boy whose wedding ceremony was performed by a Kerens boy in New Orleans recently.

The bridegroom, Billy Joe Blissett, the bride, Miss Rosemary Vera Nuschler, officiating minister, Rev. Billy Everheart, pastor of the Jefferson Memorial Presbyterian Church of New Orleans, La. An interesting feature also was that two Kerens boys in U. S. service in the New Orleans, Sgt. A. Cunningham, and Cpl. Webb, were guests at the wedding. All of which goes to prove that the world isn't such a very large place after all, and that even small towns, such as Kerens, do not always go entirely unheralded.

Entered Army. T. J. Horn, grade operator for Precinct 1, Navarro County, has resigned to enter the U. S. army aviation forces, Jim Taylor, county commissioner, revealed Saturday morning.

Personal

Mr. and Mrs. R. B. McEntire and son, Bobby, of Los Angeles, Calif., are visiting Mr. McEntire's mother, Mrs. Blanche Thompson, at Barry.

POSTMASTER URGES BOND BUYERS HOLD ONTO CERTIFICATES

A. A. Allison, postmaster, said Friday that a large number of people were cashing government bonds recently purchased and he is urging the people to hold their bonds. Mr. Allison said that the bonds were purchased for the purpose of furnishing money necessary for carrying on the war and that if they were cashed now their purpose would be defeated.

"Money from the bonds" Mr. Allison added "keeps the war plants operating, keeps planes flying, keeps soldiers fed and keeps men working and if it is returned to the purchasers so quickly, the war program will be disrupted."

JAMES N. McNABB IS BURIED ON SATURDAY IN DALLAS CEMETERY

DALLAS, Sept. 12.—Funeral services for James Nathaniel McNabb, aged 52, who died here, were held here Saturday afternoon with burial in Grove Hill cemetery.

Surviving are his wife, three sons, Cleo, Fred, and James E., and a daughter, Miss May Frances McNabb, all of Dallas; mother, Mrs. Mary Alice McNabb, Purdon; two brothers, Homer McNabb, Purdon, and Marvin McNabb, Cleburne; five sisters, Mrs. E. B. Woodward, Mrs. C. B. Grinstead and Mrs. Lafayette Adkins, all of Purdon; Mrs. T. Caffey, Anson, and Mrs. DeWitt Vaughan, Lefors, Texas.

JUNIOR AND SENIOR HIGH SCHOOLS GET MORE STUDENTS

A sharp increase in the enrollment of students in the Junior and Senior high school was noted Friday as the second enrollment statistics were issued by Superintendent W. H. Norwood.

Although still below the enrollment figure for the corresponding period last year, the number was a decided increase over the first day enrollment last Tuesday. For senior high and additional 21 students were registered and for junior high 26 more reported.

Total registrations in the white schools was 2,081, compared with 2,071 for last year, a decrease of only ten students.

Grand total, including colored schools, show an enrollment this year of 2,400 students compared with 2,329 last year, an increase of 80.

High School Offers Course Aeronautics

The Corsicana high school is offering a course this year in flight or civil aeronautics for the purpose of preparing both boys and girls for positions in the nation's war program. Superintendent W. H. Norwood announced Friday.

The course is being taught by J. G. Willard, science teacher, and includes a full unit of classroom work. No credit is given for a half unit's work.

Superintendent Norwood pointed out that the course was instituted in connection with the expanding air program in this country both civil and military. Aims are to give instructions that will materially shorten the required period of specialization training necessary for those planning to enter some phase of the airplane industry.

The course is designed to acquaint the students with the various jobs available in the field of aviation and the qualifications necessary to fill each job. Divisions of the course include meteorology, aerodynamics, airplane motors, air navigation, communication, vocations, and social significance.

Mr. Farmer

Bring us your hens, frays, eggs and sour cream. We will pay you the highest market price in cash.

C. MCMAHON,
210 E. 5th Ave.

Judge McCormick Gives Reason For Lack of Manpower

NACOGDOCHES, Sept. 11.—(AP)—Farmers are unable to obtain manpower to harvest crops because of WPA aid, surplus commodities and other forms of government relief, the Texas Government Institute and East Texas County Judges and Commissioners Association were told yesterday.

Judge E. D. McCormick of Corsicana declared that state and federal aid to dependent families is encouraging idleness, illegitimacy and immorality.

In agreeing with McCormick, Judge A. W. Coker of Huntsville, Texas, said that certain aspects of the social security program are jeopardizing the war effort in that they prevent farmers from getting the help they need.

Judge O. Rolston of Lufkin, disagreed, saying that public morale was aided by governmental distribution of food, clothing and medical aid.

Every effort should be made to reform government offices and services, stripping them of uneconomies, said John H. Winters, Amarillo county commissioner.

The meeting was presided over by Curtis Morris of the East Texas Chamber of Commerce.

MRS. W. B. WALKER, PIONEER RESIDENT OF KERENS, DIES

KERENS, Sept. 12.—(Spl.)—Mrs. W. B. Walker, aged 75 years, pioneer resident of Kerens, died at the P. and S. Hospital in Corsicana at 12:30 Saturday morning following an illness of several weeks. Funeral services were held from the Baptist church Sunday afternoon at 2 o'clock. Burial was in the Kerens cemetery. Rev. A. E. Harrison, pastor of the Baptist church, will conduct the rites.

Surviving are a son, Rex Walker, Corpus Christi; a daughter, Mrs. Emory Horger, Denton; a brother, Dale Owen, Kerens; two sisters, Mrs. Dan Gentry, Malakoff, and another sister in Houston.

Personal Mention Of Kerens Folk

KERENS, Sept. 11.—(Spl.)—Mrs. R. Stroud of Corsicana has been in the Kerens hospital two weeks decorating the newly purchased home of Mr. and Mrs. G. M. Chapman. Mrs. Emory Horger of Denton is spending two weeks in Corsicana and Kerens, spending each day with her mother Mrs. W. B. Walker in the P. and S. Hospital and coming to Kerens each night. Mrs. Parker's condition remains grave, but at last reports she was resting easy.

Mrs. Gertrude Barlow Chappel returned to her home in Pittsburgh Sunday after having spent a week with her mother Mrs. C. P. Barlow. Mrs. Charles Cullum and daughter Lee, have returned to their home in Dallas after a visit with the P. M. Chapman family, who had with them the past week and their daughters, Dolly and Lounelle also of Dallas.

Miss Betty Jane Paschal is the guest of Miss Laverne Gill, in Dallas. Andrew McClung of Galveston spent the Labor Day holiday with Mrs. McClung and their daughter, Lynette at their home here.

Mrs. Howell Brister and son, Hob, and Mr. and Mrs. C. M. Seale and Joan, were guests of Mr. and Mrs. F. L. Seale in Corsicana Sunday.

Virgil Lee Graves has been transferred from Sheppard Field to Love Field in Dallas.

Roy Crawford who has been ill for several weeks is now able to be up and has taken a position with Newsome and Hill Grocery for the time being.

Mr. and Mrs. Stafford Cunningham have returned from a vacation spent in Port Arthur and Beaumont.

Dayton Carpenter has accepted a position with the American Well and Prospecting Co., of Corsicana.

Mrs. C. P. Barlow remains confined to her bed at home here.

Dr. and Mrs. K. W. Rowe and two daughters, Linda and Susanne have returned to their home in Austin after a pleasant visit with Mr. and Mrs. T. L. Whorton and other friends.

FUNERAL SERVICES PLANNED TUESDAY MRS. W. C. WOMACK

Mrs. W. C. Womack, aged 58 years, died at the family residence 30, South Twenty-Third street, Sunday morning. Funeral rites are planned Tuesday afternoon at 3 o'clock at Dresden where interment will be made. The rites will be conducted by Rev. W. K. McGuire, pastor of the Memorial Baptist Church.

Prior to moving to Corsicana six years ago, the family resided at Purdon.

Surviving are her husband, W. C. Womack, Corsicana; three sons, D. Womack, Camp Beckley, Texas; Russell Womack, Corsicana; and W. C. Womack, Jr., Camp Forrest, Tenn.; six daughters, Mrs. E. F. Barnes, Waco; Mrs. Harold Smith, Corsicana; Mrs. Willie Platt, Galveston, and Misses Vivian and Lena Jo Womack, both of Corsicana; four brothers, Henry Howard, Freeport; James Howard, Purdon; O. E. Howard, Corsicana; and Tom Howard, Athens; a sister, Mrs. F. Stough, Waco; four grandchildren, and other relatives.

Corley in charge.

"For More People at Less Cost"

DR. JOE B. WILLIAMS

116½ W. 6th Ave., Corsicana

Dorothy Jo Hopf Weds Ira J. Moore First Methodist

In a beautiful church ceremony Saturday afternoon at 3:45 o'clock Miss Dorothy Jo Hopf of this city became the bride of Ira Joe Moore, also of Corsicana at the First Methodist Church. Miss Hopf is the daughter of Mr. and Mrs. L. C. Hopf of Austin and Mr. Moore is the son of Mr. and Mrs. W. G. Moore of Kilgore.

Dr. P. E. Riley officiated at the single ring ceremony and Mrs. L. S. Cooper, vocalist, and Mrs. O. W. Holmes, organist, gave the wedding music. Mrs. Holmes played the traditional wedding marches and accompanied Mrs. Cooper who sang, "I Love You Truly," by Charlie Jacobs Bond and "At Dawning," by Charles Wakefield Cadman.

During the ceremony Mrs. Holmes played Schubert's "Serenade."

Vows were exchanged before the altar rail which was banked with ferns and flowers. White gladioli and asters in large marble urns backgrounded with palms formed an improvised altar. One set of seven-branched wrought iron candelabra containing white tapers illumined the scene.

The bride, who was given in marriage by her father, wore an original ensemble of Vioris suede in soft gray. The tailored frock was fashioned with three-quarter length sleeves an unadorned neckline and gored skirt. A wide crushed girdle accented the dress and matched her suede draped turban. Long gloves and bag were also in the suede as were her shoes which were trimmed in brown for a color accent. She carried a white prayer book topped with a brown orchid.

Wedding Attendants. Mrs. O. B. Kilen of Austin, sister of the bride, was matron of honor. She wore royal blue velvet with cinnamon accessories and a corsage of gardenias. Miss Jane Williams, maid of honor, wore a frock of cranberry velvet with brown accessories and a corsage of split white carnations.

Charles Tuttle was best man and Lavern Roseme attended as groomsmen.

Immediately after the ceremony Mr. and Mrs. Moore left for a short wedding trip to Dallas after which they will make their home at the Navarro Hotel.

Mrs. Moore, who is technician at the P. and S. Hospital, attended the University of Texas, received her B. N. at Seton Infirmary in Austin and completed her technical course at Scott and White Hospital in Temple. Mr. Moore, who is flight instructor at Air Activities, is a graduate of Kilgore High School, Kilgore Junior College and a government flying school.

Out of town guests included parents of the bride and bridegroom, Lieutenant W. G. Moore, California; Mrs. Ross Cloud, Thrall; Miss Lucille Blumquist, Taylor; Mrs. Frank Bergstrom, Thrall; Rev. and Mrs. Roper of Waco.

Two In Army Now

KERENS, Sept. 12.—(Spl.)—Clifton Cullington, Chevrolet Co. employee for the past several years was inducted into the army Friday.

Charles Tuttle was best man and Lavern Roseme attended as groomsmen.

Miss Evelyn Fryer is visiting friends at Huntsville this week.

W. B. Talbot of Houston spent the weekend here.

Mrs. Lois Wood has moved to Ballinger where she will make her home with her daughter.

Mr. and Mrs. O. H. Juren and children spent Sunday at Brenham.

Mrs. Jim Younger and Miss Leah Sessions of Dallas spent the weekend with their parents, Sheriff and Mrs. J. R. Sessions.

R. R. Childs, Sr., visited Mr. and Mrs. Mildred Johnson in Garland this week.

Rev. and Mrs. James Morgan have returned from a vacation at Silsbee and Jasper.

Miss Celestia Walker and Miss Elsie Emmons visited friends in Streetman Sunday.

CAPTAIN REFUSES IDENTIFY SELF TO SUB COMMANDER

By The Associated Press. The skipper of a Panamanian merchant vessel, whose torpedoing by a submarine off the coast of South America was announced today (Monday) by the navy, possibly saved himself from being taken prisoner aboard the undersea craft by refusing to identify himself.

When the U-boat surfaced and inquired about the master, Capt. Axel Broner warned those in the lifeboat to keep silent, he said in an East Coast port interview. All 46 members of the crew were rescued.

Since June the navy has announced a total of 11 ship captains made prisoners by submarines, apparently in an effort to create a shortage of skilled masters.

The sinking, late in August, brought to 455 the Associated Press tabulation of United Nations and neutral ships announced as sunk in the Western Atlantic since Pearl Harbor.

Indiana Girl Weds Local Aviation Cadet

Miss Anna Deann Holloway of South Bend, Indiana, became the bride of Aviation Cadet Robert E. Shade, whose home is also in South Bend, Saturday afternoon in a ring ceremony at the First Christian Church. The pastor, Rev. Robert F. Bristol, officiated.

The bride wore a beige mesh frock with lace trim and a corsage of orchids. She was attended by Mrs. Joseph Hauser who wore a two-piece suit of soldier blue with black accessories.

Gen. Royce to Take Command Air Field

FORT WORTH, Sept. 14.—(AP)—Maj. Gen. Ralph Royce, one of the heroes of the battle for the Philippines, will take command of the southeast air training center at Maxwell Field, Ala.

Maj. Gen. R. K. Yount, commander of the army air forces flying training command, announced the appointment yesterday.

General Royce's practical experience in the Pacific fighting will aid the flying training program, General Yount said.

CHANGES IN TERMS OF U. S. TREASURY TAX SAVING NOTES

NEW SERIES ADAPTABLE FOR ACCUMULATION OF TAX RESERVES

Secretary Morgenthau today announced changes in the terms of the treasury tax saving notes, which have been on sale since August 1, 1941, for the convenience of taxpayers and which are receivable at par and accrued interest in payment of federal income, estate and gift taxes.

The changes are effective in new treasury notes of tax series A-1945 and tax series C-1945, which will be offered for sale beginning Sept. 14, although the new notes will not be ready for delivery before the latter part of the month.

The notes of tax series A-1945 and tax series C-1945, which have been available since January 1, 1942, were withdrawn from sale at the close of business Sept. 12, 1942.

The new notes of tax series A-1945 are adaptable for dual purposes: (1) for the accumulation of tax reserves and (2) for temporary or short-term investment of cash balances which are at present idle.

The notes of tax series A-1945 are adaptable for dual purposes: (1) for the accumulation of tax reserves and (2) for temporary or short-term investment of cash balances which are at present idle.

The notes of tax series A-1945 are adaptable for dual purposes: (1) for the accumulation of tax reserves and (2) for temporary or short-term investment of cash balances which are at present idle.

Active Sale of Notes.

Members of the Victory Fund committee in the 12 Federal Reserve districts with a trained securities sales personnel, will participate actively in the sale of the new tax saving notes. Each Federal Reserve district committee is headed by the president of the Federal Reserve Bank of the district. Members of Victory Fund committees, as well as bankers and securities salesmen generally will have complete information and application forms and will assist taxpayers and other investors desiring to purchase these notes.

The notes of tax series A-1945, like those of prior Series A notes, are intended primarily for the smaller taxpayer. The new notes will be dated Sept. 1, 1942, and will mature Sept. 1, 1945, thus providing a maturity of three rather than two years from issue date. The limitation of principal amount that may be presented on account of any one taxpayer's liability for each class of taxes (income, estate or gift) for each taxable period has been raised from \$1,200 to \$3,000. The new limitation will also apply to prior tax series A-1943 and A-1944, or to any combination of the three series. In other respects the terms of the notes of tax series A-1945 remain the same as those of A-1944. Interest will accrue (from September, 1942) at the rate of 16 cents per month per \$100, equivalent to a yield of approximately 1.97 percent per annum. The notes will be issued at par and accrued interest. If not presented in payment of taxes, the notes will be redeemed at the purchase price only, either before maturity, without advance notice. The notes will be available in the denominations of \$25, \$50, \$100, \$500, \$1,000 and \$5,000.

The new notes of tax series C will be dated as of the first day of the month in which purchased, will mature three years thereafter, and they will be presented in payment of taxes. The notes will accrue each month from month of issue, on a graduated scale, the equivalent yield if held to maturity being approximately 1.07 percent per annum. The amount of accrual each month on each \$1,000 principal amount of notes, from month of issue to month of maturity, follows:

Half-year Periods after month of issue	Interest accrued	\$1,000 principal with int. added
First 1-5 years, per \$1,000	1.07	1,070.70
1-2 to 1 year, per \$1,000	1.07	1,070.70
1-2 to 2 years, per \$1,000	1.07	1,070.70
1-2 to 3 years, per \$1,000	1.07	1,070.70
1-2 to 4 years, per \$1,000	1.07	1,070.70
1-2 to 5 years, per \$1,000	1.07	1,070.70

It is now presented in payment of taxes, and except for those in the names of banks that accept demand deposits, the notes of tax series C will be redeemable at par and accrued interest either at maturity or, on 30 days' advance notice, during and after the sixth calendar month after the month of issue. If inscribed in the name of a bank that accepts demand deposits, the notes will be accepted at par and accrued interest in

HEALTH, BEAUTY AND POISE

HOW TO IMPROVE YOUR PERSONALITY
By VERONICA DENGEL

THE WEDDING HAT.

For an early fall wedding this stunning hat worn by Barbara Britton (Paramount feature player, now appearing in "Wake Island") would be lovely on the tall, willowy blonde type. To match the brown crepe dress, it is fashioned of beautiful brown lace with a transparent edge of stiffened brown net. Then the side is turned back sharply at the crown and held in place by the band of brown veiling that starts on the left hand closely follows the chin line up the right side. The bright effect of the blonde hair against this background is very striking.

The slim waisted girl could wear a contrasting belt or turquoise blue or old blue; or with the belt in the brown of the dress, her gloves could be in blue.

But somehow this sort of hat calls for orchids in a corsage—and those beautiful green speckled ones would be most effective—lovely white ones with deep purple centers. Don't choose the ordinary violet colored ones, however. It's a special day—and you want to be quite special!

Such a hat is not too spectacular for special occasions all through the winter—and I'm sure your entrance at any party will be well noted.

All requests for pattern "Health Beauty and Poise" information should be accompanied by a fully self-addressed, stamped envelope (8x10). Address: Veronica Dengel in care of this newspaper.

Sherman County Farmers Harvested Good Grain Crop

A. P. Bralley, county agent for Sherman County, former assistant county agent here, was in Corsicana Monday en route to College Station where he will attend the annual conference of county agents and home demonstration agents.

He was accompanied by his wife and son, Joe Bob Bralley. Bralley stated that farmers in Sherman county harvested a crop of 3,000,000 bushels of grain this year and that the soil in that section of the state is now in excellent shape. Sherman county was in the center of the Dust Bowl a few years ago.

payment of taxes, but redeemed for cash at or before maturity only at the purchase price, or par. The notes of this series may be pledged with banking institutions as collateral for loans but no other hypothecation will be recognized by the treasury department.

The new treasury tax saving notes, like those of prior series, will be issued only by the Federal Reserve Banks and branches, and the treasury department, Washington.

COUNTY-WIDE LUNCH MEETING SCHEDULED THURSDAY EVENING

COUNTY JUDGE E. D. MCCORMICK URGES ALL INTERESTED BE PRESENT

The school lunch program for all schools of Navarro county will be outlined at an important meeting called for Thursday night, Sept. 17, at 7:30 o'clock in the county courtroom by Judge E. D. McCormick.

All school superintendents, principals, heads of Parent-Teacher Associations, other school sponsors, presidents of service clubs and chamber of commerce over the county and interested citizens and school patrons are urged to attend.

Representatives of the Agricultural Marketing Association and the department of public welfare will be in attendance to explain the new regulations and requirements. Judge McCormick said.

All sponsors must be present in order that their school participate this year. Judge McCormick emphasized, stating that he would not have the opportunity to notify each school individually.

for them is certified by the U. S. employment service.

Biddle's action implements an agreement between the United States and Mexico, announced August 6, under which Mexican farm laborers may be temporarily brought to this country to meet wartime agricultural labor shortages, particularly in the Southwest.

WASHINGTON, Sept. 14.—(AP)—Authorization for the immigration service to grant temporary admission to the United States to Mexican agricultural workers was issued today by Attorney General Biddle. The Mexican workers will be admitted when the need

THE WAR TODAY

CONTINUED FROM FIRST PAGE

ing and not real, for there's nothing meek about this man who would be emperor of all mankind. The cold fact is that Hitler had to use virtually every available warplane in his efforts to subdue the volcanic Reds. As reported in this column recently, a high allied source told me of a certainty that the nazis are short of planes, short of gasoline and oil, and very short of pilots. Additional proof of this is seen in the fact that Marshal Rommel wasn't able to get the air support he needed for his new drive against Egypt, although that operation is as essential part of the nazis' plan for movement against the Middle East.

However, approaching winter will see a slackening of the fighting in the Caucasus, and Hitler will be able to release planes for operations elsewhere. He also will have recently manufactured machines ready for action. Besides the sub-sonic fighters, he has the Heinkel 177, which carries eight tons of bombs—the equal of Britain's biggest planes. Then there is the Focke-Wulf 190, which is a fast, bomb-carrying fighter.

All this should provide a mighty urge for Uncle Sam's builders of warplanes. Our production is far short of capacity, and it's imperative that a steady stream of bombers and fighters be kept pouring into our bases in the British Isles for war against the Germans. It's all the allies win absolute supremacy over Western Europe if we are to establish that second front and get ahead with the job of beating the nazis all together.

Our task of production is all the greater because our air fleet now is in action in all sectors of the global war. The number of planes

MOST MAJOR TEXAS CROPS WILL SHOW BIG PRODUCTION

AUSTIN, Sept. 14.—(AP)—The U. S. department of agriculture in a comprehensive review of Texas crop conditions predicted today that production of all major crops except cotton, oats and pecans will exceed 1930-31 averages this year with new records being set by rice, peanuts and tame hay, due largely to increased acreages.

Most crops still growing during August held up to or exceeded earlier expectations, the department said, pointing out that cotton, grain sorghums, peanuts, sweet potatoes, pears, grapes and citrus fruits improved over Aug. 1 prospects.

Corn, grains, hay, broomcorn, potatoes and peaches ranked at the estimates of a month earlier. Only rice and pecans, damaged by hurricanes, showed decreased prospects. Timely rains at about mid-August relieved a serious situation in a wide strip across the northern part of the state. This excluded the Panhandle, where conditions were almost ideal.

Many Russian Prisoners.

BERLIN, (From German broadcasts), Sept. 14.—(AP)—A special German high command announcement said today that 10,500 Russians were taken prisoner from Aug. 21 to Sept. 11 in the fighting for Novorossisk.

we produce between now and the length of time it will take to crush the enemy.

CORPORATION COURT.

Numerous items appeared on the police blotter Monday morning. Local officers are on the lookout for a Corona portable typewriter stolen from the First Baptist church at Elgin during the noon hour Saturday.

Two were arrested on drunkenness charges.

Twelve cars were tagged for overparking and one for being parked in a loading zone.

One was cited for operating a car while "busted" during the noon hour Saturday.

Mrs. W. M. Caskey, 1109 West Thirteenth avenue, reported the government stamp was stolen from the windshield of her car Friday night.

One was arrested for drunkenness and the theft of a horse from Walter Barnaby.

One was fined \$1 by Corporation Recorder C. L. Knox on a charge of driving and parking on the left side of the street, and one was fined \$5 for being drunk.

One was arrested for intoxication and disturbance of the peace (transferred to county), and one was cited for driving on the wrong side of the street.

A bicycle was picked up at the Rio Theatre and later was returned to the owner.

Local officers are on the lookout for two youths wanted in Dallas for robbery and car theft and for two in soldiers' uniforms wanted in Louisiana for assault, robbery and car theft.

Changes Position.

Joe York who has been local manager for the Corsicana Tire Auto Supply Company for the past four and one half years will in the future be connected with the Firestone Stores, corner of Fourth and Main.

DR. GEORGE TRUETT STARTS 47TH YEAR AS PASTOR CHURCH

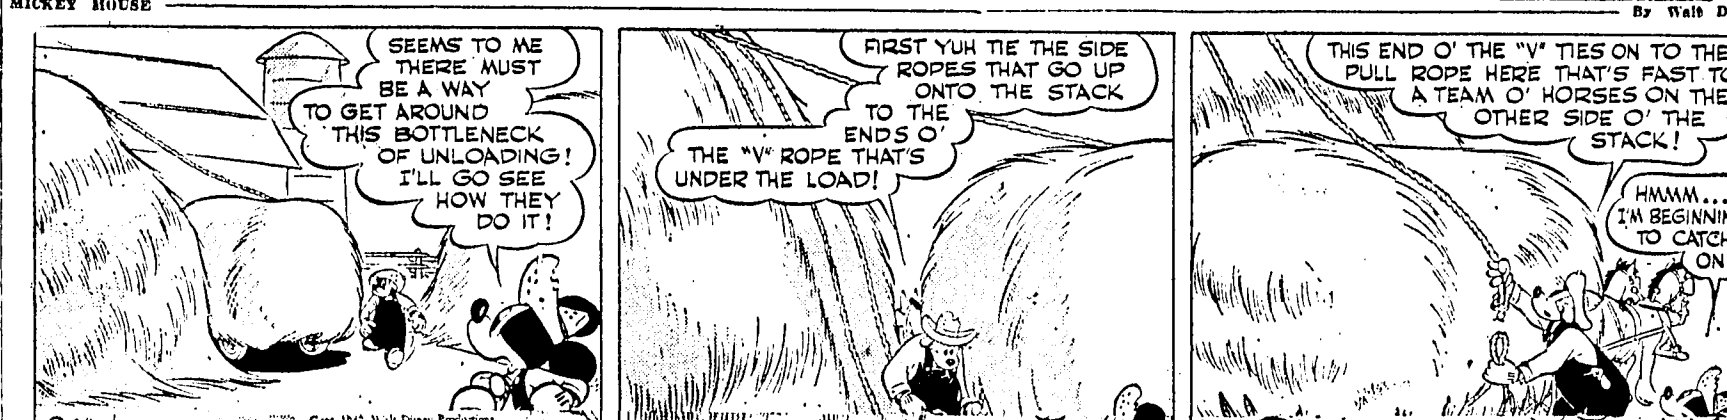

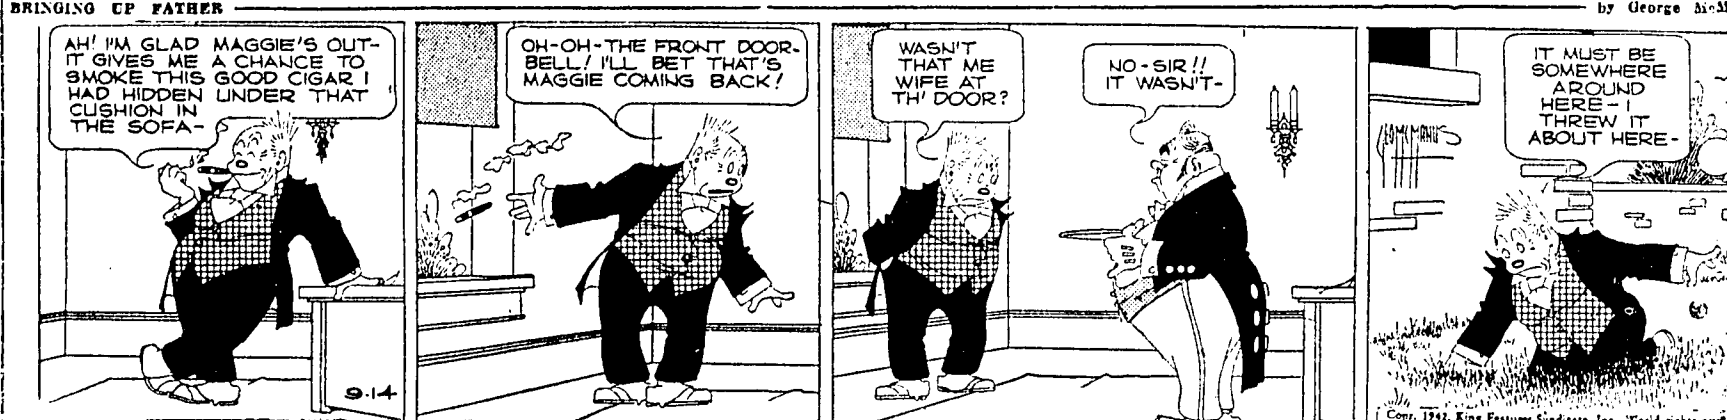

DALLAS, Sept. 14.—(AP)—Before an audience which filled to overflowing the auditorium of the First Baptist Church of Dallas, largest white Baptist church in America, Dr. George W. Truett described yesterday the inception of a ministerial career that led him to serve the church for 46 years as pastor.

The 75-year-old minister told of how as a farm boy he had forsaken a desire for a legal career to become ordained into the ministry at Whitewater, a North Texas town. He had been brought there by his parents from North Carolina.

Dr. Truett, former president of the Baptist World Alliance, said "one Saturday I went to church. After the sermon a lesson got up speak. He got painfully specific and personal; he was urging that I decide at once for the ministry." "I was inexpressibly moved by these prayers and pleadings," he went on. "I proposed that they wait six months. 'We won't wait six months,' they answered. 'We are called to do this thing now.' And so they did. I was thrown into the stream and just had to swim."

San Antonio Team Wins.

SAN ANTONIO, Sept. 14.—(AP)—Art Veltman's Kids of San Antonio won the South Texas Division Amateur Athletic Federation here yesterday by defeating the Randolph Field Bombers and playing the North Texas champion for the state title next weekend.

BRISTOL ELECTED PRESIDENT LOCAL MINISTERIAL BODY

Rev. Robert F. Bristol, minister of the first Christian church, was elected president of the Corsicana Ministerial Association Monday morning to fill the unexpired term of Rev. Ross Smith, who resigned recently to accept a pastorate at Dawson.

The Corsicana ministers met in their first fall session Monday morning at the C. Calhoun address of the association on the subject, "What the Layman Expects From His Minister."

Rev. Joe L. Ingram, pastor of the Cumberland Presbyterian church, and Rev. D. R. McCauley, pastor of the Central Methodist church, were introduced as new members.

Pat H. Ramsey, secretary, was authorized to prepare a "Church Roster" for aviation cadets at the Air Activities of Texas. The roster will list the cadets in their place of worship, location of the church, etc.

A committee, composed of Rev. A. A. Peacock, Rev. Gordon A. Moore and Pat H. Ramsey, was appointed to arrange for the annual Union Thanksgiving services. The next meeting was set for October 5.

Germans Report Many Ships Sunk Atlantic Convoy

NEW YORK, Sept. 14.—(AP)—The German radio broadcast a special communique today reporting that U-boats have sunk 19 ships totaling 122,000 tons, destroyers and one corvette out of an Allied convoy in the north Atlantic.

There was no Allied confirmation of this enemy report, which sounded suspiciously similar to another German special announcement—also unconfirmed—yesterday claiming sinking of 18 Allied ships totaling 121,500 tons and the torpedoing of a 19th ship. This announcement stated that in addition to the battle of major proportions "was in progress in the Atlantic."

Canadians Admit Sinkings.

OTTAWA, Sept. 14.—(AP)—Canadian naval authorities announced today the loss of the Canadian patrol vessel *Racon* with 38 officers and men and the sinking of four United Nations merchant ships.

The navy statement said the *Racon* was lost while guarding a convoy and that "it must be presumed that all hands were lost with her."

The sinkings were known to have occurred off the east coast, although the navy did not give the exact location.

There has been "an increase in the tempo of enemy activity on Canada's side of the Atlantic," navy minister Angus MacDonald said.

BEAUFORD JESTER FILES AN ANSWER TO SADLER'S SUIT

DALLAS, Sept. 14.—(AP)—Beauford Jester, appointed railroad commissioner by Gov. Coke Stevenson after he won the democratic nomination to fill out the unexpired term of Jerry Sadler, today filed in federal court an answer to Sadler's suit contesting Jester's right to the office.

Jester contended in his answer that the commission was vacated when Sadler resigned to join the army. Sadler later withdrew his resignation, but his right to do so was questioned from several sources.

Jester's answer asked that the injunction suit be dismissed for lack of federal court jurisdiction. The case has been set for hearing for Sept. 22.

State Government Lost Pair to Baylor

AUSTIN, Sept. 14.—(AP)—The state lost two officials today, Baylor University at Waco thereby gained two teachers and the principals involved announced their intentions to marry.

Mrs. Margaret Harris Gordon, member of the 46th legislature from Waco, and recently librarian and marshal of the state supreme court, and Sam Amser, formerly of McGregor and Waco, attorney for the State Board of Medical Examiners, resigned to join the faculty of the Baylor University Law school.

They will be married tonight in the pastor's study of the First Methodist church of Waco.

Both are Baylor graduates.

Major George Holt Of Tarrant Field Seeking Mechanics

Major George H. Holt of Tarrant Field, Fort Worth, was in Corsicana Monday afternoon, seeking men with mechanical backgrounds for enlistment in the U. S. army air force as technicians.

Practically all men with any mechanical skill are eligible, he said. Physical requirements have been drastically reduced. The air force is in desperate need of men, he stated.

Major Holt will return to Tarrant Field Tuesday where he will interview any man who is interested.

The Corsicana army recruiting office, located in the basement of the Post Office, will be furnished with all information concerning this branch of the service. Detailed instructions and information can be secured by calling at the office, he stated.

British Making Progress.

LONDON, Sept. 14.—(AP)—British forces moving inland from the West Coast of Madagascar to prevent use of the island by the axis are making good progress and one column is within 150 miles of Tananarive, the capital, the British war office announced today.

British Miners Must Work.

LONDON, Sept. 14.—(AP)—Miners who stay away from work without reasonable excuse or who persistently are late will be prosecuted, the labor ministry declared today.

The order followed a warning by Gwilym Lloyd George, minister of fuel and power, that Britain's coal situation was serious.

Have something you don't need? Try a Want Ad and convert it into cash. Just phone 182.

ANNUAL CONVENTION—Oliver of Corsicana will have an important part in this year's annual convention of the Texas Mid-Continent Oil and Gas Association, which will be held at the Baker Hotel, Dallas, Friday and Saturday, October 9 and 10, according to J. L. Collins, prominent Corsicana oil operator and regional vice president of the Association for the East Central Texas district.

"The nation's war program has placed the Texas oil industry in an extremely important position and it is now more than ever before a result of the war demands being made upon the petroleum industry and urged that oilmen make definite plans to attend and take an active part in the war program planned for the Dallas meeting."

MAJOR PIERCE AND OTHER DEFENSE GUARD DEFENSE GUARD

MAJOR Festus A. Pierce, commanding officer of the 37th Battalion of the Texas Defense Guard with headquarters here, has gone to Camp Bullis near San Antonio, accompanied by members of his staff, to attend a one week intensive course in command tactics.

Lieut. W. B. Mayo of Corsicana company returned Sunday from camp where he underwent a similar training period last week.

Those accompanying Major Pierce include Capt. L. S. Keen, Lieut. Tommy Curtis, Lieut. Ford Cook, Capt. Joe Daniel and Lieut. Elliott Johnson.

The commando course includes instructions in infiltration, chemical warfare, handling of bombs, road barriers, mining of roads, assuming control of strike-bound plants, and all types of civil disturbances.

PLAN RECREATIONAL CENTER; COMMITTEES NAMED AT MEETING

Members of the Corsicana Recreational Board, which is the outgrowth of a call of the War Activities committee of Kinsloe House, met in formal session Friday night at the clubhouse, to discuss plans for a local recreational center.

Mrs. W. K. Steele, chairman, presided. Officers elected at the session to serve with Mrs. Steele included Wayne Howell, vice-chairman; Miss Marie Hurley, secretary; B. Lynn Sanders, treasurer.

Committees named by Mrs. Steele are: executive, H. R. Stroube, chairman, A. P. Mays, J. Silverberg, Mrs. Homer Jester, Mrs. Wayne Howell, finance, George Baum, chairman, Fred Blucher, Mrs. D. G. Dunbar, J. M. Lonsdon, Mrs. Beauford Jester, Mrs. C. J. Knox, Mrs. Joe Wolens, Marie Hurley, program, Lloyd Keen, chairman, Mrs. Wilbur Wright, co-chairman, Mr. and Mrs. Wynne Woolley, Mrs. O. W. Holmes, Mrs. Ed M. Polk, Mrs. Robert Watt, Mrs. Edwina Milam, Mrs. Clara White.

The need for a recreational center was presented to the group and committees will make definite reports at a meeting to be held Monday night, Sept. 21 at 8 o'clock at the Navarro Hotel.

Attending the meeting were Mrs. Steele, Mrs. L. A. Wortham, Mrs. C. J. Knox, Mrs. Wilbur Wright, Mrs. O. W. Holmes, Mrs. Ed M. Polk, Fred Blucher, Mrs. Andrew Steele, Miss Marie Hurley, Suttie Roberts, Mrs. Edwina Milam, Mrs. P. B. McKie, Mrs. D. G. Dunbar, Mr. and Mrs. Wynne Woolley, C. O. Cunningham, Miss Ethelmae T. Lott, Lloyd Keen, Mrs. Robert Watt, Mrs. V. C. Stroube, Mr. and Mrs. John C. Calhoun.

Cottonseed Purchases Under Federal Control

Local cottonseed oil men stated Monday that buying of cottonseed was now under federal control and that the government established a basic price for the seed and then permitted a deduction for lower grade seed. It was stated that the present government basic price for Corsicana was \$40 per ton and that due to recent unfavorable weather, the grade deduction amounted to \$4 per ton, therefore the price paid at present is \$36.

Allyn Lang, speaking in this connection, stated that with the bright sunshine prevailing now that in the near future cottonseed would in all probability rise to the basic government price.

Test Pilot Killed.

LONDON, Sept. 14.—(AP)—Capt. Valentin Henry Baker, 54, who gave flying lessons to the Duke of Windsor, the Duke of Kent and Amy Johnson, has been killed on a test flight, it was announced today.

Brownwood Explosion.

BROWNWOOD, Sept. 14.—(AP)—An explosion today in a cleaning plant hurled a 1700-pound boiler into the bedroom of a residence a block away, but no one was injured.

SHOWDOWN ON NEW REVENUE BILL IS DELAYED MONDAY

WASHINGTON, Sept. 14.—(AP)—The senate finance committee reversed previous action today and cut the tax on two-for-a-nickel cigars back to the levels of the present law.

It delayed until later in the day a showdown on individual and corporate levies in the new revenue bill.

Chairman George (D-Ga) told reporters there were "some questions" yet to be settled in connection with the major phases of the bill. One of these was reported to be a move led by Senator Byrd (D-Va) to substitute increased income tax rates for a 5 per cent "victory" levy applied by the committee to all earnings above \$624 yearly.

The committee voted 10 to 8 to fix the tax on 2-1-2 cent cigars at \$2 per 1000, as under existing law. Previously, it has acted to boost this levy to \$3, or 50 cents more than the house has approved.

The committee revised cabinet taxes to apply to dinner-dance entertainments, even if there were no increase in the price charged after dancing started. George said this was designed to clear up confusion caused by court opinions.

The committee rejected a proposal for a levy on outdoor advertising.

Attempt Made Take Man Charged With Murder from Jail

CLIFTON, Ariz., Sept. 14.—(AP)—Sheriff Ben Phillips disclosed today that a gang of men attempted to remove James C. Rawlins from the county jail, where he is held on a charge of murdering an 11-year-old girl.

The sheriff dispersed them yesterday by calling out the names of men he recognized and threatening to shoot anyone who made a move to enter the jail.

Phillips said most of the men had been drinking. Rawlins, 46, Moronei mine matrician, will be sentenced Tuesday for first degree murder. He pleaded guilty to raping and strangling Marilyn Erma Atkins.

Rawlins is a native of Hillsboro, Texas.

Texas Jaycees Place Emphasis War Work

MIDLAND, Sept. 13.—(AP)—An all-time record for Rio Grande flood stages was predicted by the weather bureau today as a second crest approached Mercedes and a third crest was said to be forming near Laredo.

The river stood at 19.7 feet today. The record is 19.7 feet, set at Brownsville on Oct. 2, 1936.

A near 20-foot stage was expected if the two crests merge here Wednesday as forecast.

All levees were holding. Cameron county officials had a crew of workers building the main levees higher with sandbags at danger spots above and below Brownsville.

Italians Report British Fail to Capture Tobruk

ROME (From Italian Broadcasts), Sept. 14.—(AP)—Sen-borne British troops, supported by paratroopers, attempted a landing last night to pinch off the vital Axis supply port of Tobruk, some 300 miles west of the Egyptian battle-front, but were beaten off by the German-Italian garrison, the Italian high command announced today.

The landing attempt, in which a force of British cruisers and destroyers participated, was preceded by a violent bombardment by a large number of RAF planes, a communique said.

Two of the British warships were reported hit by shell fire and one of the vessels was said to have sunk later.

(The Berlin radio carried a similar announcement, but there was no immediate confirmation of the reports from any Allied source, the British communique from Cairo mentioned only minor air and land activity on the Egyptian front yesterday.)

Hospital Ship Sunk.

ROME (From Italian Broadcasts), Sept. 14.—(AP)—The Italian high command reported today that the Italian hospital ship *Arno* had been torpedoed and sunk the night of Sept. 9 about 40 miles off Tobruk, although she was "marked with the international sign of the Red Cross and strongly illuminated."

"The majority of those on board, including members of the Red Cross, were saved," the bulletin said.

Guadalupe Rising In Victoria Area And They Will Wed

VICTORIA, Sept. 14.—(AP)—Thousands of additional acres of crop lands were inundated this morning as the Guadalupe rose to 28.8 feet.

Lowland sections of Victoria were under water and several families were forced to leave their homes.

Crop damage was not great, because the area has not recovered from the effects of the Aug. 30 coastal storm.

Flood Record Predicted.

BROWNSVILLE, Sept. 14.—(AP)—An all-time record for Rio Grande flood stages was predicted by the weather bureau today as a second crest approached Mercedes and a third crest was said to be forming near Laredo.

The river stood at 19.7 feet today. The record is 19.7 feet, set at Brownsville on Oct. 2, 1936.

A near 20-foot stage was expected if the two crests merge here Wednesday as forecast.

All levees were holding. Cameron county officials had a crew of workers building the main levees higher with sandbags at danger spots above and below Brownsville.

ROME—British repulsed in landing attempt at vital axis supply port of Tobruk.

GENEVA—MACARTHUR'S HEADQUARTERS—Allies hold Japanese invaders at bay 40 miles from Port Moresby; enemy bases and merchantmen bombed.

WASHINGTON—President tells congress U. S. producing only half of possible war maximum.

WASHINGTON—U. S. planes shallow-draft, torpedo-proof cargo ships.

British Announce Capture Maevatanana, On Road Tananarive

LONDON, Sept. 14.—(AP)—The British announced today the capture of Maevatanana, 150 miles by road northwest of Tananarive, capital of Madagascar, and information reaching some military quarters here indicated that advance forces had pushed on to within 100 miles of the capital.

By this account the British already had covered fully half of the distance to the capital—230 miles air line from the northwest Madagascar Port of Majunga, one of three landings which the British made last Thursday in an effort to prevent use of the French island by the Axis.

Former Corsicanan Died at Freeport

Arthur N. Ashmore, formerly of Corsicana, died of a heart attack at Freeport, Texas, early Monday afternoon, according to information received by his brother, L. W. Ashmore.

Funeral arrangements were not complete at press time, but the body will be returned to Corsicana by the Sutherland-McCammon Funeral Home.

Ashmore formerly resided in Fort Worth. He is survived by several children and other relatives.

Knock Out Rommel's Tanks.

READING, Sept. 14.—(AP)—A United States army officer who escorted Wendell Willkie to Egypt, said today the British are knocking out Gen. Erwin Rommel's tanks by placing dynamite under them.

"Light motorized forces sweep out and plant charges under tanks that might have been only temporarily disabled by bombs and shell fire," said Lieut. Col. John H. Snyder, chief of the intelligence section of the Air Transport Command.

Crack Burlington Train Damaged by Doze nExplosions

CRESTON, Ia., Sept. 14.—(AP)—Twelve explosions rocked the west-bound 12-car Burlington Zephyr streamline train two and a half miles east of Nodaway, Ia., at 12:20 a. m. today. Burlington officials said passengers escaped injury and damage to the train was slight.

There were about 180 passengers aboard the crack streamliner, which was travelling approximately 70 miles an hour when the explosions occurred, officials here said.

Many of the passengers, asleep at the time, were unaware of the explosions.

The FBI at Des Moines is investigating the cause of the explosions. James L. Dalton, head of the FBI bureau in Iowa, said the cause was not determined.

Nine of the cars suffered damage. Air brake equipment on three cars was damaged, and the rest suffered damage to undercarriages. The train did not leave the track. The explosions occurred in flat level country, and not on any incline or near a bridge.

OMAHA, Sept. 14.—(AP)—Seven explosions rocked the crack west-bound Burlington Streamline train en route from Chicago to Denver two and one-half miles east of Nodaway, Ia., at 12:20 a. m. today. Passengers escaped injury, Burlington officials at Omasa said, and damage was slight.

There were 24 cars on the train but damage was confined to the road bed and undercarriages on several cars. The train proceeded slowly to Omaha after being held up until 4:27 a. m.

The train did not leave the track, Burlington officials added.

Compulsory Savings.

WASHINGTON, Sept. 14.—(AP)—A program linking compulsory savings with the enactment of a two-year revenue bill that would yield the treasury's full goal of \$8,700,000,000 annually in new taxes was advanced by Senator Byrd (D-Va) today as the senate finance committee neared the end of its job of rewriting the house tax bill.

Expressing dissatisfaction with both the terms and the yield of the pending measure, Byrd said he thought the committee ought to adopt a sales levy and change other rate schedules to create a tax structure that would last at least two years and produce upwards of \$26,000,000,000 in direct annual revenue.

When that was done, he said, legislation should be enacted to compel the public to buy government bonds in order to provide the financing needed to keep the war program running at full blast.

"We are going to have a \$50,000,000 deficit this year and unless we have compulsory savings which will channel the money into the treasury, I don't see how we are going to finance it," he told reporters.

"Dirty Fighting" Stressed Before Defense Guardsmen

CAMP BULLIS, Sept. 14.—(AP)—"If you haven't a knife, gun or club, use your fingers or your teeth to tear out your enemy's jugular vein," admonished Major George T. Spencer today before 280 Texas Defense Guard officers starting the second session of the 8th service command state guard school.

Speaking on guerrilla warfare and street fighting, which will be demonstrated and practiced later in the week.

"We are fighting a ruthless enemy who is no respecter of treaties, international law or decency," Maj. Spencer said.

"We must win. Consequently we must use means which are effective and fight fire with fire."

Northern Palates Fail to Appreciate Texas Vegetable

BASTROP, Sept. 14.—(AP)—Finding the south central Texas Autumn unusually warm and some of the native Texas vegetables strangely slick to northern palates, one Camp Swift outfit has appointed a committee to "investigate and prevent" the origin of okra.

A preliminary report by private Leonard Sowa described one of the state's favorite foods as "a limp vegetable usually untouched after midday."

"Due to the reticence of native Texans, to date I have been able to unearth only a few disquieting allegations. I hope soon to make public the truth, no matter what it may be," private Sowa added darkly, passing the okra.

Hindu Party Asks Action.

NEW DELHI, Sept. 14.—(AP)—A committee of the Hindu Mahasabha, third largest political party in India, called upon the British government today to "take the initiative without further delay" to bring Indians into a war-like mood against the axis.

War is Getting Closer Married Men and Youths

ASBURY PARK, N. J., Sept. 14.—(AP)—Major General Lewis B. Hershey, national director of selective service, thinks the war is getting closer to married men with children and to youths of 18 and 19.
